Cross Country Vending

By Sarah Burkarth, Carlisle Events Social Media Coordinator

Steve Almeter travels 2,300 miles – multiple times a year – to attend our events. He is a retiree whose hobby is selling automotive parts and is in it for the experience, not the money. Steve is a one-man show here at Carlisle and is somehow able to manage eight vending spots at once, which as you can imagine is a tough task!

Hailing from Tucson, AZ, it is only fitting that he is known here as “Arizona Parts.” Steve specializes in truck parts and carries a wide variety of makes and models, usually ranging in years 1939 to 1987. Hauling all that cargo across the country can be a challenge so Steve keeps a storage trailer in Carlisle year-round. In 2016, he plans to attend five events: Spring, Ford, Chrysler, Truck and Fall.

Steve is originally from New

York and travels there after the events to visit family. He worked in the car business for 30 years while in New York, owning a repair shop and a used car lot. Steve was fortunate enough to be able to retire at age 48 and then moved to Arizona. Now at 61, he is spending the off-season taking

pre-orders and then summers are spent hauling parts and vending at Carlisle. “My phone is ringing off the hook all year round,” Steve said. “Half of my inventory at a show is already pre-sold,” he continued. That can be accredited to the amount of business cards he hands out, 500 a show!

VENDOR SPOTLIGHT: XTREME AUTO FINISHES LOCATED AT G 88-90

Old School Paint, Old School Prices

By Sarah Burkarth, Carlisle Events Social Media Coordinator

Rob Chamberlin is a 15-year veteran vendor at Carlisle and returns in 2016 with Xtreme Auto Finishes. You may refer to them as “The Paint Guyz,” a name that popped up one year and has stuck ever since. Based out of Reed Springs, MO, Xtreme Auto Finishes is a family-owned and operated paint manufacturing company. They produce high-quality automotive paint at a much lower cost than major competitors.

The paint you will receive from Xtreme Auto Finishes is exclusive, as it is not sold in any store. To purchase this highly sought after product you must attend a Carlisle Events’ show or visit their website. To give you an idea of just how good of a deal this is, let’s compare prices. Sherwin Williams, PPG and Dupont are currently the major names in automotive paint and all sell a gallon for no less than

\$500. Xtreme Auto Finishes has the same quality paint, with even better UV protection, for only \$149 a gallon.

Nowhere else in the United States can a company mix any paint color from year 1900-2016 on the spot, and that is what Xtreme Auto Finishes prides itself on. This is a small, family-run company of only 15 people that travel from coast to coast selling their products at automotive events because they enjoy the face-to-face interaction with their

customers. Carlisle is a major stop on their travel schedule as 40% of their annual sales are done here. “There is no such thing as a bad Carlisle show,” said Chamberlin. “We are proud to be affiliated with Carlisle, and we’re grateful to be such a hit at the events,” he continued.

Head on over to The Paint Guyz and test out their supply; we guarantee they will be able to mix any paint color you ask for!

VENDOR INCENTIVES

We are proud to boast that our loyal vendors have created one of the largest automotive swap meets of its kind. They provide so many unique parts, collectibles and memorabilia that there shouldn't be anything you can't find here.

Get in on the action and take advantage of our money-saving incentives. Vending at a Carlisle event can be a great way to make money, clean out your garage and provide an overall fun experience. Our facility has bath houses and numerous dining options so camping in your vendor space is an easy choice. Read on for more details.

NEW VENDORS: FREE SPACE

If you've never had space at an event (or haven't for two years), you can get one space FREE if you buy TWO spaces.

CURRENT VENDORS: BUY ONE GET ONE

If you buy a vending space at an event where you haven't before, just buy ONE – and get one FREE!

MULTI-SHOW DISCOUNTS

If you purchase vending space at 5-6 events during the 2016 season, you will be eligible to receive a 5% discount on your total vendor fees paid. Purchase space at 7 or more events and receive a 10% discount. Discounts will be paid at the end of the season.

SOCIAL MEDIA SHOWROOM

If you buy a **car corral** space in 2016, you are invited to advertise that vehicle for sale on our social media pages – Facebook and Twitter – FREE!

Just e-mail up to four photos of your vehicle to **SocialShowroom@CarlisleEvents.com**. Include your name, vendor number, event name, space number and important details about the vehicle you're selling.

We will post your photos one time – within a 14-day window of the event – on Facebook and Twitter. They will remain in the Social Media Showroom photo album on the Facebook page for the applicable event.

If you buy multiple car corral spaces, you may advertise each vehicle on the Social Media Showroom. This offer is valid for each car corral space.

Thank you for your support, and we hope the additional exposure of your vehicle provided by the Carlisle Events Social Media Showroom results in a sale.

FREE SPECIALTY LISTING

As a vendor you are entitled to one free specialty listing in the event guide for each event you attend. Additional listings are only \$5 each. Help your customers find you; return your order form today!

FREE ALPHABETICAL LISTING

If you buy vending space at an event, your name and vending spaces will be included in the alphabetical vendor listing in the event guide.

SPACE RENEWALS

You have renewal rights to your vending spaces for 90 days after the end of an event. You will receive a renewal notice approx. 30 days after the event and a final reminder postcard two weeks prior to the deadline.

EARLY BIRD RENEWAL DISCOUNT

The best deal in renewing your vending spaces is to pay for 2017 before the event is over. You'll get a 5% discount! Visit Vendor Services in the Registration building outside Gate 3.

BUY VENDING SPACE ONLINE

You can buy vending spaces online! Two weeks after the 90-day renewal deadline, all spaces that have not been purchased will be available on a first-come, first-served basis. You can even choose the exact space!

BRYAN FULLER

NATIONAL TV COMES TO SPRING CARLISLE

Join TV personality and builder Bryan Fuller as “Swappers” (current working title) records at Spring Carlisle. This show highlights the swap meet and all that it has to offer, including the unique pieces and parts and the men and women who make our swap meet such a success. If you’re selling or shopping in the swap meet, you just might find yourself on TV. This pilot program will air at some point this summer on Discovery’s Velocity Channel. Two teams will compete to find specific items and the contest will conclude with a build and burnout competition.

DAILY DRIVER BLOWOUT

For decades, classic vehicles for sale lined the car corral on the east side of the fairgrounds. Now with the hobby evolving and an abundance of vehicles available, we invite daily drivers to join the flurry of car corral buying and selling. The Daily Driver Blowout offers big deals on daily drivers and is located at the top of the hill by Gate 5.

CARLISLE IMPORT & PERFORMANCE NATIONALS

1986 saw the birth of the Carlisle Import Auto Festival. Kits/replicars were invited beginning in 1992 and the name was changed to the Carlisle Import-Kit/Replicar Nationals. Custom compacts and mini trucks were invited to join the showfield in 1996 and in 1997 that portion of the event got its own name, the Custom Compact Power Jam. By 2001, the Power Jam experienced so much growth that it became a stand-alone event. A few name and venue changes later, and the Power Jam was known as Carlisle Performance & Style through 2015. This year will see the marriage of the two events once again under the name Carlisle Import & Performance Nationals. Read all about the event on our website.

MUSTANG AMERICAN FLAG

You may have seen photos of the American flag that was formed by vehicles during Corvettes at Carlisle. This year, Mustangs are going to pay their tribute to Old Glory during the Carlisle Ford Nationals.

BLOOMSBURG NATIONALS

After running the long-standing car show at the Bloomsburg Fairgrounds for four years, we have decided to turn it over to the Dream Machines Motor Club beginning this August. We appreciate your support by going with us “on the road.”

DEVELOPMENT PLANS

While travelling to or from the Carlisle Fairgrounds it’s likely you’ve seen the large site of the former IAC manufacturing facility on Spring Road. It’s been in various stages of deconstruction since 2011, which is when it was purchased by Carlisle Events. We’re happy to report that the site is now clear and ready to move on to the next step!

Plans have been developed for the site to include extensions of existing streets to go through it, a hotel, retail stores, restaurants, and various types of residential housing.

Approval for these plans is in the works but we can announce that an extended-stay hotel is under contract! By late 2017, you should see a marked improvement in the property and a lot of construction underway.

AMYLOIDOSIS FOUNDATION

The Chip Miller Amyloidosis Foundation was formed in 2004 after Carlisle Events' co-owner, Chip Miller, passed away due to complications from Amyloidosis. The mission of the Foundation is to empower people with the knowledge and understanding of Amyloidosis for earlier detection, ensuring a better quality of life for those afflicted with the disease and to help science find the cures.
